UPCOMING UNION EDUCATION

Occupational Health & Safety – Advanced

This course is being held on:

May 13, 2010
8:30 am to 4:30 pm

This course has been designed to allow participants to develop the tools, resources and strategies to build on their successes and to tackle the tough OH&S issues at their workplaces. In this course, participants will:

- Discuss barriers facing Joint OH&S Committees and develop creative strategies and solutions to deal with them
- Learn about OH&S trends and how they impact the work of the Committee
- Learn how to use the OH&S Regulation and the Workers Compensation Act as resources
- How to mobilize support for dealing with the barriers preventing the solution of the health and safety hazards
- How to strategize alternative and creative approaches to making workplace changes to improve health and safety.

REGISTRATION DEADLINE – May 4, 2010
